Handwriting practice grid for the character 糸. The grid consists of 12 columns and 3 rows. The first three columns are empty. The fourth and fifth columns contain the character 糸 in blue ink. The first row shows the individual strokes: a vertical line (丨) and a hook (勹). The second row shows the character 糸 formed by the vertical line and the hook. The third row shows the character 糸 formed by the vertical line and the hook, with a small horizontal line (一) added to the top of the vertical line.

Large black character 糸 (Ito) for reference, shown within a rounded square frame with a vertical and horizontal line.

Handwriting practice grid for the character 糸. The grid consists of 12 columns and 2 rows. The first two columns are empty. The third and fourth columns contain the character 糸 in light blue ink. The fifth, sixth, seventh, and eighth columns contain the character 糸 in light blue ink. The first row shows the character 糸 formed by the vertical line and the hook. The second row shows the character 糸 formed by the vertical line and the hook, with a small horizontal line (一) added to the top of the vertical line.
